## Experience

---

**ischool | minya, Egypt**  
**tutor | 07/2024 - 08/2024**

I've had experience utilising programs like Mblock and Pictoblocs to educate primary school pupils how to code.

**ITI | online, Egypt**  
**intern | 07/2023 - 08/2023**

We learn Python basics and the several uses of Python programming.

**cyber talents | online**  
**intern | 07/2022 - 08/2022**

I have firsthand experience with cyber security, web vulnerabilities, and vulnerability assessment. We also learnt about networking, cryptography, and security concepts.

## Skills

---

troubleshooting common hardware issues, installing, updating, and configuring software programs.

## Education

---

**faculty of computer science | minya, Egypt**  
**bioinformatics | 06/2024**
