Objective:

I'm experienced Communication engineer .looking for challenging opportunity in these fields to enhance my knowledge and increase my skills.

Education:

Bachelor degree of Electrical Engineering (2020) , Communications and electronic Department from High Institute of Engineering and Technology(HIET)in Kafrelshiekh.

Graduation Project : (Excellent) (Radio Frequency System)

Using the electro-magnetic waves for heating the agricultural soil and kill bacteria in it to develop the efficiency of the agricultural crops .

Experience:

- IT Engineer .
- Electrical Technical Office Engineer at United Engineer Company–ANOPC site for Oil and Gas.
- Electrical Technical Office Engineer at Carlo Gavazzi Company– MIDOR site for Oil and Gas.
- Site engineer for installing instrumentation devices at Petrojet CO– MIDOR site for Oil and Gas.

Internships:

- Summer training course in power station in Abo Keir Company.
- CCNA 200-301.
- MCSA
- NETWORK+

Technical Skills:

- Experience in the interpretation of all engineering documents including an instrumentation Datasheets ,P&ID,3D Model, Cause & Effect Diagrams ,loop drawing ,materials and fittings.
- Experience installation and calibration , testing for all types of field instrumentation devices including temperature , flow ,level and pressure transmitters , analyzer , condition , monitoring sensors for rotating equipment and fire alarm system .
- Experience in lighting systems materials .
- Experience in installation and inspection of various cables, glands , junction boxes , lighting , motors and instrument termination in hazards areas .
- Making daily technical reports .
- Good Experience in AutoCAD and Diallux.
- Good at Microsoft office (word ,excel and powerpoint)

Personal Skills:

- Leadership skills .
- Presentation skills.

- Risk management skills .
- Good communication skills .
- Good in English (Speaking ,Reading And Writing)

Personal Informations :

- Date of Birth (January 16, 1994)
- Military status : Finished (June 01,2022)
- Marital status : single
